

Club Update for March 2019

Questions - we need your questions about the Arkansas General Assembly!

Our April speaker will be state Senator Keith Ingram, the Minority Leader. He wants to know what WE want to know about the actions of the Arkansas General Assembly this session. So, if you have any questions about laws that have been passed, or issues before the legislature...send them to the Club Communications Team and we will gather them together for him. **Deadline for Questions for the Senator is March 22.**
